## **N**AVAN FOR KRAFT HOCKEYVILLE 2011

**Thank you!** It's been an exciting five month journey that the community of Navan will never forget. The four hockey celebration events that were held in conjunction with The Kraft Hockeyville 2011 competition provided Navanites with an opportunity to reflect on our precious hockey history, and in doing so, demonstrate to the rest of Canada the kind of community spirit that our town is built on. Remember, we finished first in Canada to make it to the top 10! The 979 stories that individuals submitted was a testament to how passionate the community is about our local hockey heritage.

The Navan for Kraft Hockeyville committee would like to express our appreciation to all who contributed and participated in making this such a positive experience for the community. Thanks to all the local sponsors who supported us from beginning to end. Navan can be proud of how they put their best foot forward in the Kraft Hockeyville 2011 competition. *Navan is and will always be a winning community!* Thank you Navan!

The Navan for Kraft Hockeyville committee is proud to have represented you.

The Navan Kraft Hockeyville committee would like to share just one of the 979 stories submitted to bring us to the top 10. Enjoy!

"Navan Memorial Centre arena...many great memories, but one very special memory that will stay with me forever...

For a long time I thought my greatest memories of Navan Memorial arena would be of my childhood years playing minor hockey and junior hockey for a small community South of Navan...playing in this old barn was special to any kid growing up in the area...and as good as those memories were, there were lots more to come...we moved to Navan 15 years ago, and felt like we belonged right from the very first day we moved in. As a family on weekends we often took both our daughters for some skating in Navan, we all walked to the rink and enjoyed several hours of skating, it didn't take long before our youngest daughter showed some interest in playing our national pastime and it lead to her playing

hockey for the Gloucester Cumberland girls hockey Stars, this of course brought us many more great memories playing in some exciting hockey games...but my fondest memory at the Navan Memorial Center had to be the charity game that I played in, organized by a friend of mind on the Ottawa police force. The game was set up to raise funds for Morgan Wall, a young girl who attended Heritage school in Navan and was courageously battling cancer...that day in front of a packed and boisterous arena full of kids, parents, and teachers we played a fun game versus the Heritage public school and after scoring the first goal, I got booed so loud you couldn't hear yourself think,(of course that's exactly what we expected)...but Heritage public school came back for a big victory, and the smile on those kids faces and especially Morgan's will forever remain in my mind...the greatest victory of course was seeing the community step up and help one of their own.

The Navan Memorial Center will always remain a great venue for our community whether it be for a remembrance day ceremony(which now includes our newly relocated cenotaph), parties, the Navan fair, community events and of course our Navan Junior A Grads hockey...

Our strong small town hockey community has a lot to do with Navan being the ideal choice for so many to come and enjoy our safe community to play hockey and to enjoy what will be for many years to come...our Navan Memorial centre...Navan is more than hockey, it's the every day people you meet, the many stories to share, the sense of belonging and being cared for...This to me is what demonstrates what Kraft Hockeyville is all about...passion for our game and great community spirit!

Go Navan Go!

Daniel St-Jean'

**NOTABLES** (complements of the Navan Women's Institute)  
Navan on the Cutting Edge of Clean Energy  
Helena and Shawn Simpson are involved in this Clean Energy Program established by the Ontario government. The Sentry Dual Access Tracker, on Colonial Road, is the latest in Clean Energy. Shawn Simpson and John McWilliams are selling these Ontario made machines through their business, SMS Solar Harvesting. This solar tracker will help in supplying clean energy needs. Anyone can obtain a contract with the government for a 20 year term to produce renewable energy. This unit uses gps coordinates to know where it is on the earth to track the sun The anemometer, at the very top of the panels, measures the wind velocity. Should the wind reach speeds of 50km an hour the tracker lies flat to prevent damage to itself. The device is attached to the Internet so that the owners can monitor each individual panel and its output. If something goes wrong with 1 panel they receive an email about it. This solar tracker works at maximum efficiency and is self-maintained, except for minor greasing every 6 months. Anyone interested in learning more about this Clean Energy Initiative can go to the Ontario Power Authority web site. Shawn is very pleased with his new initiative. It has produced above expectations. Exciting field to be working in for this local electrical company!!

**NAVAN LIONS CLUB**  
 (meet the 2<sup>nd</sup> and 4<sup>th</sup> Monday of the month at the Navan Curling Club)

Members of the Navan and Cumberland Lions clubs recently held a two day vision screening exercise at Heritage School. 198 students were tested for near and far vision, colour blindness, peripheral vision and stereo depth perception and if any concerns were noted, parents were advised to visit an optometrist for further investigation.

It is hoped that, in the future, we will be able to conduct further clinics in other local schools.

**Cairine Wilson Secondary School's**

**8th Annual Relay for Life**

Do you have a co-worker, a friend, or a family member that has battled cancer? Have you had to fight with this awful disease?

Cairine Wilson Secondary School is hosting its eighth annual Relay for Life and we need YOUR support and help. Cairine Wilson's Relay is a truly

phenomenal event, where hundreds of students, teachers, parents and community members gather support and help. Cairine Wilson's Relay is a truly phenomenal event, where hundreds of students, teachers, parents and community members gather together in Navan to walk the track and battle cancer. Get involved in our Relay! Make a team of 10-15 friends, family members or co-workers to raise money and walk the track. You can volunteer to do anything from working security to helping with making supper at our event. If you are a survivor and would like to join the Ceremony and the survivors' victory lap, please let us know. This lap is a special first lap that celebrates anyone at our Relay that has fought cancer and survived.

Cairine's Relay for Life is taking place on Friday May 13<sup>th</sup>, 2011 from 12 noon to 12 midnight at the Navan Fair grounds. You are welcome to join us for the Opening Ceremony at noon or the Luminary Ceremony at dusk.

You can show your support and buy a luminary bag for \$5.00 from Cairine Wilson School or any of the students. A luminary bag, is a paper bag in which a candle is placed to remember a loved one or share hopeful thoughts. At dusk the bags light up the track. You can also make a donation or pledge a participant. Check out our Cairine Wilson school website.

You do not want to miss this truly moving and touching event. It will be a memory you will never forget!
