NAVAN NUGGET

October was a very lively month in downtown Navan. The Navan Garage Barber shop has expanded its service to include a hairstylist. Just call in advance to make an appointment with Nadia. Remember that if you are a Lions Gateway Club member you get a 10% discount. The CTAS held a fantastic barn dance to facilitate the drawing of their Raffle tickets (see the Navan Fair section for details). For those of you who missed the barn dance you missed some great music by the Tailgaters and lively excitement during the live auction of over 30 items.

Also Carolyn Margaret MacNeill hit the papers twice this month, first as she was the recipient of the Governor General's Caring Canadian Award. Then Patrick Langston, a freelance reporter for the STAR/Weekly Journal, wrote an article about Marg's life history in a heart warming way. Marg was very surprised and honored in receiving the award and the good words but now she just wants to go back to pulling the weeds and doing her community work.

NOTABLES (compliments of the Navan Women's Institute)

Gord and Ruth Curry

Way back in the late 50's Ruth and Gord were playing ball. Ruth played First Base and at one point in the game, much to her surprise, Gord knocked her off the base and fell in love!! They were married in the local Navan United Church in 1959. As time went on they had 3 children, 2 girls and a boy. One of their daughters, Kelly Sirvin, lives near Leonard with her husband, Eric, and their 2 children.

Gord and Ruth were both involved in the Baseball Scene in the early 60's. Gord helped with the Lions sponsored Peewee and Midget teams. He enjoyed coaching these young teams. He met many local fellows through this sport: such as Garrett Rivington, Johnny Bourgeois, Larry Ekdahl and many others. Kids were taught good sportsmanship, and to play a good game and not to argue. This was a fun sport. He and Ruth often would pile a bunch into their two cars and head off to tournaments. Of course this was before seat belts made it impossible to put 8 or so players in a car!!

Gord played for about 20 years in the Navan Fastball League. As well, he enjoyed coaching the Navan Women's League. The time he coached Ruth's team in the Customs and Excise league they won the R.A.

Championship!! Great feat!!! There was a lot of stiff competition in the league. Ruth played first base and also coached the young girls' ball team. For 4 years Gord coached the Women's Broomball Team and they played a lot of tournaments.

Gord has been a member of the Navan Lions Club for 45 years and is a Life member now! He has been President 3 times and has held almost every position in the Club, over the years. Winter carnivals were his specialty for a while and then the Fair Bingo took a lot of his time. You could always depend on Gord to be there and help out at these games. As treasurer of the Lions Club he kept track of all the monies this Club has donated to our community!

He was the treasurer for the fundraising for the new arena. He was on the Cumberland Recreation Association for two 3-year terms. While Gord was busy in the community, Ruth was too. She became the Editor of the Navan Vars United Church newsletter. To this day she supplies flowers to the church and looks after the flowers at the Lions Friendship Arch in front of the Arena. She is a stained glass artist and has created beautiful panels for the two round windows in the church and a lighted panel at the front of the church. I love her flower garden in her yard. No matter the season there is always a burst of colour in her yard!

Gord worked for 37 and ½ years with D.N.D. Loved the drive into work as he always had a load of beautiful Navan girls going into the city to their work places.

Gord and Ruth are a truly remarkable and involved Navan couple. They now enjoy their grand children, their garden, and you can see Ruth walking the streets of Navan with her beautiful dog, Bailey. Thank you for your commitment to our village.

HOME TIP OF THE MONTH

Smart ideas to Make life easier

To cut fresh baked cheesecake, use a long string of dental floss and slowly bring it down through the cake. This will make a perfect slice and keep the cake looking good.

Longer-lasting flowers – add a mixture of 2 tbsp vinegar and tsp of sugar to a qt of water. The vinegar kills the bacteria and the sugar nourishes the flowers.

Fresher-smelling blankets – before tucking blankets away for the season place a sheet of fabric softer between the folds.

Ring-free tub – pour a capful of baby shampoo into your bath as the water runs. The shampoo eliminates the ring around the tub, plus you'll have a bubble bath!

Fresher spices – store paprika, chili powder and ground ginger in the fridge, once opened.

Faster dusting – mist two socks with water, and place one on each hand. You'll dust double the space in half the time.

No-mess painting – stripping paint off a table? Place an empty tuna can under each leg to catch the excess paint stripper and protect your floors.

Easier driving – keep a magnifying glass in the glove compartment of your car. It'll come in handy when you need to read a map.

Neater sweeping – put a plastic bag over your dustpan, then sweep the dirt into it. When finished, turn the bag inside out, and the mess is neatly packaged and ready to be thrown away.

The Raffle Draw was held in the Sheep Barn on October 13th, which is one of the barns that the CTAS is planning to conduct some renovations in the near future. This was a fantastic evening with a wonderful local band called the Tailgaters, who have a vast repertoire of music that pleased the over 300 attendees of all ages. Thanks to the Navan Volunteer Firefighters who man the watering trough for the partygoers. The Live Auction lead by Carson James and Erin James encourage the crowd in raising \$5400 for the barns. Here are some examples of how generous and determined some buyers were if they wanted the item up for grabs:

Navan Sweat shirt from Jay's Embroidery brought in \$120, a 4H show lamb brought in \$600, 1 butterscotch pie was purchased for \$200 and a raspberry pie reduced a person's pocket by \$130. Some other items were a pie a month for year = \$475, Alpaca socks = \$210, Precision Classic John Deere 630 Toy Tractor = 300 and a Farmall 560 Toy Tractor brought in \$140. Thank you to the community once more for all your generosity and participating in making the night very special for the CTAS Board.

Farming News

Wendy Chretien, Director Field Crops wanted to share the results of this years entries in the Field Crop Competition. Our judge Martin Besner of MacEwen Agricentre said there could have been several 1st place crops this year. For example under wheat out of 60 there were 4 farmers ranging from 55.3 down to 54.85. The first prize winners are: Barley – Denis & Robert Gascon, Spring Wheat – Theo & Fred Van Munsteren, Soybeans – Bill Koggel and Corn – Jeff Hamilton. Martin said that this is an indication of all the pride and hard work our area farmers put into their crops. Congratulations everyone. See you next year.

NAVAN LIONS

The Lions were on a roar in the month of October. On the 19th they provided the BBQ services to the Heritage School Harvest Dance and then on October 27th they celebrated their 55th Charter Anniversary. The 55th Charter Night was held at the Navan Memorial Centre (which the Lions have helped build, tear down and fundraise for all three over the years) held a wine and cheese format instead of a banquet to allow for more socializing. The result was a great success by enabling great fellowship with members from 14 different Lions Club, who came from as far away as Maxville. In addition all our local politicians and many of our strong community supporters.

Everyone was enthralled with a moving speech by Citizenship Judge Brian Coburn, who talked about the great country we live in and his experiences as a Citizenship Judge. Everyone in the room could relate to his words as sometime in our family's history, someone made a decision to come to Canada, the great land of opportunity whether it be in the 1800s or in 2007. Judge Brian ended with everyone standing to pledge allegiance to the Flag which was awesome as people who are born in Canada never get a chance to do this.

Lion Hal MacPherson was presented with the Melvin Jones Fellowship by Lion Jerome Andre, District Governor of District A4. This is the highest form of recognition give by the Lions Club International Foundation to acknowledge an individual's dedication to humanitarian service for qualities such as generosity, compassion and concern for the less fortunate. Lion Hal is the most deserving recipient. This recognition was created in 1973 and named for the founder of Lions Clubs International.

The evening ended with a quick placard review of the accomplishments the Navan Lions Club, which would not have been possible without the support of the community and governments over the 55 years. Voiced by Lion President Margaret MacNeill and all the speakers the common thread through was that without the strong support of the community none of these accomplishments would have been realized. Last year alone the Navan Lions contributed over \$30,000 to many charities and worthy causes. Thank you sincerely for all you support. Anyone wishing to see the Lions in action or become one, just call Lion Margaret MacNeill at 613-

NAVAN COMMUNITY ASSOCIATION

Outdoor Rink Operator Wanted

The Navan Community Association is looking for an individual, group, or club to operate the outdoor rinks in the village. There are youth in the community who are willing to help but we need a person who can co-ordinate the maintenance and be responsible to ensure that the tasks are performed throughout the season. All expenses are covered by the association and City grants. There is some monetary remuneration available for the individual, group or club that will perform this operation.

The rink season opens as soon as the weather permits base preparation and sufficient flooding to occur, and runs until spring arrives. On average, this has historically been Dec 15th to mid March (Rarely through the school break).

For further information and list of duties contact Hal MacPherson at 613-835-3502 or Marg MacNeill at 613-835-2533. Time is short, so we must decide now whether there will be a rink program for this coming season.

GRAND OPENING NOV 11TH – THE WORKS ON TRIM RD

Ottawa, and especially Orleans, is buzzing with the impending opening of The WORKS on Trim Road at Watters just down the road. What a surprise too, as Ion Aimers has developed a brand new concept that is snuggled right next door called "roost" which

he describes as an "urban roast house" featuring nothing but maple smoked roast chicken in various forms !! "Its roasted chicken with flavor, atmosphere & a healthy flare." says Aimers. The local owners Ion Aimers & partner Marc Prieur are eager to get open and welcome all their friends and neighbours from the surrounding area.

Sarsfield resident Greg Kenny has built the restaurants and is preparing to immediately start on the next WORKS project in Manor Park. Aimers says "Greg Kenny is the consummate professional and has made this our best & easiest opening yet!!" This is the 5th WORKS outlet stretching from Kanata, Westboro, Glebe & Beechwood...& now to the east end. They feature a small (60-70 seats) layout with an industrial yet warm cozy feel, and are open 11am to 10pm daily. Greg Kenny grew up in Navan, the son of Frank and Rita Kenny.

The WORKS is licensed and features incredible array of over 60 Gourmet Burgers on 7 different patties, the infamous Tower-O-Rings, Classic Milkshakes in 50 flavors, and Steamwhistle Draught Beer !! "roost" is smaller (30 seats) with a refined, and yet very warm atmosphere of elegance meets comfort in both decor & food !! The menu features one product...maple smoked roasted chicken, featured in a variety of items. There is of course the soon to be famous roasted chicken by piece, and then a sensational bbq chicken pizza, smoky quesadilla, a hot ripped sandwich, smoked bacon & chicken caesar salad, and a bbq roasted wrap sammy !! Ion says that the smoking rotisserie they will use in an import he found in Memphis, and the product with his secret spicing & marinades makes it "unbelievable".

The **WORKS & "roost"** open November 11th to the public, and Aimers is planning a special **NAVAN RESIDENTS DAY** for November 8th from 5pm to 8pm only !! Local residents can eat FREE at that time only, with a donation to charity at the table. Space will be limited, so please be patient !! Normal business is daily 11am to 10pm. The WORKS is handicap accessible & accepts Debit, Visa, MC & Amex.
