NAVAN NUGGET

BUSINESS CARDS ROATED BI-MONTHLY

Electronic version is available at www.navan.on.ca

Navan has another young actor to go along with Emma and Sally Isherwood. Eight-year-old Tori Barban has won a leading role in a made-for TV Christmas movie that will be aired on CBC next year. She is currently in Winnipeg filming with her mother Krista for the next three weeks while dad, Steve Barban looks after home and the Cumberland Grads. Her previous acting experience has been with the Orleans Young Players Theatrical School in Orleans. Congratulations Toni and all the best.

The New Oak Tree Inc. – Furniture store

A special welcome The New Oak Tree and to Don Murray the owner to downtown Navan with a wonderful new shopping experience here in Navan.

Sixty-nine years ago, Don Murray; now in his 82nd year, made a small piece of furniture which he was able to sell for \$5.00. Excited over his sale, he rushed home to tell his mother. His mother said, "Don, you realize that very well paid men only make about \$2.00 a day." Thus began Don's life long love with furniture.

Throughout his life, Don Murray, owner of The New Oak Tree Inc. in Navan, has retailed, manufactured, taught students the art of furniture making, and even helped to set up furniture manufactures to supply his stores. He built a chain of over 40 furniture stores in Canada and the United

States.

A few years ago, Don finally decided to retire and he sold off all his stores. Sadly, shortly thereafter, his wife passed away. At loose ends, Don decided to return to what he loved best - the furniture business. He now has a store and finishing center in Port Hope, another store in Carleton Place and now the new store in Navan, which is located in the old feed mill, more recently O'Meara's Restaurant. He also plans to open another store north of Toronto.

His stores sell only quality, North American made, solid wood furniture of oak, cherry, maple, hickory or elm. Not only does Don do what he loves best; he takes no salary. Also all profits go to help fund St. Michael's Hospital, the renowned teaching hospital in Toronto.

Don loves people and is a great storyteller. Drop into the store and say "Hi." Don Murray is a man you'll be glad you met.

The other night, at our monthly Navan Women's Institute meeting, we listened to Margaret MacNeill tell of her great love for Navan and our Canada. She highlighted the ceremony where she received the Governor General's Caring Canadian Award. Margaret came here, from England, as a little girl. She has lived all her life in this area. In the last few years, Margaret has received awards to honour her dedication to our village. In other words she has helped to put us on the map!

Among her credits are the City of Ottawa Citizen of the Year, the Governor General's Caring Canadian Award, and the Melvyn Jones Award from Lions International, sponsored by the Navan Lions' Club. It is wonderful that she was recognized for her efforts in our community. She has also served on the Executive of the Navan Lions Club, several chair positions on the Lions A4 District Cabinet as well as the Navan Community Association which she was one of the founding members. On some hot summer days you can see Marg pulling weeds at the 2 main entrances to Navan, that is, after she and a few others have planted these beautiful plants.

Marg is working in the Cumberland Township Agricultural Association office here. She publishes the Navan Nugget as well as looking after the Navan Fair organization.

I hear that Marg and her husband, Reg, have sold their house and will in the near future be building a home on the other side of Ottawa. I know I speak for many others when I say, "Don't hurry Marg and Reg". You will certainly be missed when you leave our fair village.

P.S. from Marg - I will be weaning myself off over several years as 52 years involved in this community is not easy to walk away from plus the family will still be here. Also I could not do any of this without the support of Reg.

LOVE

A pounding heart, the swirling head, short of breath...the sheer amazement of the way another human can make us feel. We only get this intense feeling from our amazing children, our closest friends & family, and our true soul mate. As we have grown the world is less innocent, the experiences are more challenging, the opportunities less often, and the relationships ...ah, the relationships!! As we explore our way through all the complications of this world we live in, we must use the need for peace, the joy of dreams, the feeling of hope...and allow ourselves to enjoy the marvel of love. We will overcome these challenging times, and be better in the end. Let's all share the love, enjoy the love, and be the love...every day !! Never say never, never give up...never lose Love.

HOME TIP OF THE MONTH

Make anything look like new!

- Glass coffee pots crystal-clear – make a paste using fresh lemon juice mixed with salt or baking soda, then apply to a sponge and rub out dirt and stains, Rinse thoroughly and you're all set to brew up a fresh pot.
- Appliances showroom shine – simply apply club soda to a clean, dry cloth, then buff.
- Yellowed cottons snowy white – fill your washing machine using the recommended temperature and setting for the items you'd like to brighten, then add ¼ cup to ½ cup automatic dishwasher detergent. Agitate several minutes, add your laundry, then soak for at least 30 minutes. Then just add detergent and launder as usual.
- Wood floors look freshly refinished – choose a crayon that matches your floor's color, fill in scratches, then heat with a blow-dryer set on low and buff with a clean rag.

Everyone is welcome to attend the next NCA meeting where a preliminary master plan of the play structure and its features will be presented. This meeting is scheduled for Monday, March 16, at 7:30pm in the upstairs hall of the arena.

It is with sincere gratification that I have been given the opportunity to write about the Volunteer Firefighters of Navan. Located at 1246 Colonial road, Station 71 is comprised of 26 men and woman who generously devote their time to weekly trainings, public events, and, most important, the call to duty. Our claim to fame is the public support received from the local community and associations. A great example of this would be our snowmobile, which was purchased by our Lion's Club and The Women's Institute of Navan. The snowmobile has already been used for a couple of life threatening medical calls where access was non-negotiable with fire trucks and ambulances. This snowmobile allowed for a positive outcome. Station 71 is one of four stations that make up the Ottawa Eastern District also known as District 7, lead by Sector Chief Irvin Sunstrum. The other Volunteer stations include Cumberland (Station 72), Vars (Station 73) and Orleans composite station 53 (Full time and Volunteers). These stations respond to Navan when needed for extra manpower and their apparatuses contribute much to Navan's success.

Margaret MacNeill has been kind enough to allow Navan's volunteer Fire Station to contribute to the Navan Nugget. We would like to take this opportunity in the coming months to familiarize you with the men and women of Ottawa Fire Station 71 as well as provide education on the importance of fire safety, community events, fundraisers, and Ottawa City Projects such as Wake Up Ottawa.

Larry M. Roy, Captain, Station 71, Navan
