Innovative Community Support Services is a transfer payment agency through the Ministry of Community and Social Services. ICSS is a non profit agency providing support to individuals whose lives are impacted by developmental delays, physical disabilities and mental health issues in the areas of Navan, Cumberland and Sarsfield. We are very grateful for the support that we have received from the members of this neighborhood, and pride ourselves on being fantastic neighbours and contributing members of this community. The residents being served in our residences require 24-hour staff support to assist them with a variety of needs due to their physical and medical needs. The support staff assists individuals with personal care, daily hygiene, medication, meal preparation, specialized transportation, involvement in community activities, medical appointments, liaison with day programs, and most importantly, creating a warm, safe and friendly home environment.

Our residents are all adults, ranging in age from 17 to 71; it is our purpose to assist them in achieving the highest possible quality of life, regardless of their disabilities. In order to financially assist with community activities, trips and all of the extras, ICSS fundraises via a number of different activities and events. ICSS is a registered charity and must rely upon fundraising initiatives for additions to our programs and services.

ICSS is proud to announce our First Annual Memorial Golf Tournament fundraiser to be held at Greyhawk Golf Club on Monday, June 22, 2009.

We're in the process of collecting merchandise for the Resident Memorial Golf Tournament event. By donating, you'll be making a tax deductible contribution that will help ICSS continue to help make life better for individuals in need, right here in our community.

We are looking for anything you might be able to provide including: Corporate Sponsorship, Auction Items (anything from gift certificates to store merchandise) or smaller novelty items to add to the golfers gift bags. Donors will be listed on the event program, and the merchandise you give will be on display through the event. Contributions will be recognized on all promotional materials received by our staff, community leaders and attendees. Your donation will also be acknowledged in the program for that night as well as in our own monthly newsletter. Bill Welychka of A-Channel News will be our event Master of Ceremonies; we are looking forward to meeting his camera team!

Please consider donating an item to support the continued work of ICSS, or getting involved by coming out and joining us at the tournament! Thank you for your support, together we can make a difference!

For more information or to donate, please contact Jaynee Champagne at 613-4729-0056 or Gayle Cameron at (613) 429-0074. **See form on last page of newsletter**

Navan Notables Navan Women's Institute

Anne-Marie Currier is the new Principal of Heritage Public School, right here in Navan. Fifteen years ago Anne-Marie taught Grade 2 and was Teacher-Librarian at the old Meadowview School, which was on the same grounds. She is delighted to be here at Heritage Public School. There are 360 children enrolled, from JK to grade 8.

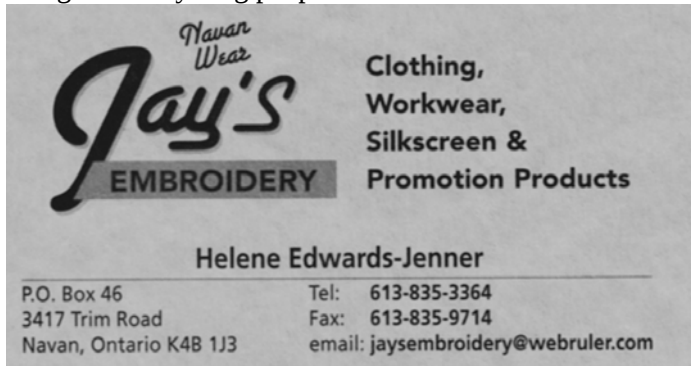

Mrs. Currier has promoted the O Ambassador Club here. The students are raising money for a school in Kenya. As a fundraiser she and a group of pupils have made some beautiful beaded bracelets. They sell for \$7.00 each. The next time any of you readers are in the school ask to purchase one. They are sparkling and colourful!! Heritage School is 1 out 10 schools in Canada to belong to this programme. Her school is the only Canadian school that has been chosen to send a scrapbook to Oprah. This album will highlight the fund raising activities the school has

been involved with. So far the student body has raised over \$4000.00. Great little citizens in this school!!

Anne-Marie is proud of her parents' council, chaired by Denise McLean. They provide funds to support school technology and reference books for the parents. They help out in various ways, such as special lunch days, trips, etc.. She is encouraging the children to have garbage free lunches, to recycle, and of course to follow the LOCO programme. This is the Lights Out Computer Off rule, whenever anyone leaves the room.

The school has planted tulips with the help of the Navan Community Association. Anne-Marie wants her school to be a vital part of the Navan community. The school motto is "Soaring to Success". Just as their mascot, the Heritage Hawk soars for greater heights so are the students encouraged to do so!!

Welcome Anne-Marie Currier to our village and we look forward to hearing the results of your big project in Kenya. We hope you stay awhile and enjoy our friendly Navan and guide our young people to success.

Ontario Rural Summer Jobs Service

Ontario Ministry of Agriculture, Food and Rural Affairs (OMAFRA)

The 2009 Ontario Rural Summer Jobs Service is now accepting applications from employers who plan to create summer jobs for rural youth. Businesses and community organizations in rural Ontario, including rural Ottawa, can receive a hiring incentive of \$2 per hour to create student employment. Employers can benefit from the program for up to 16 weeks. To qualify, the student employment must be created sometime during the six month period from April 1st to September 30th. The goal of the Rural Summer Jobs Service is to help create jobs which enhance the skills and work experience of students in rural Ontario. The program provides financial assistance to employers who can create jobs for students between the ages of 14 and 24. If you are employing a student with a disability, the age threshold increases to age 29.

NAVAN LIONS CLUB

The Navan Lions suffered a great loss in March Lion Aris (Rusty) Cleroux passed in hospital. He had been a dedicated Lion for over 45 years. He was well known by many other Lions Clubs across Ontario and Quebec because he never missed a convention wearing one of his three vests proudly showing off his pin collection. Our deepest sympathy to all his family.

The 8th Annual Curling Bonspiel had a full house more ways than one. 24 for Teams competed for cash winning and a Lions souvenir trophy. The overall winning team was skipped by George Ferrall and included Georg Butts, John Barratt and Pat McKenna. But Navan Lions came out the top winners by generating over \$4500 from the Curling fees, 50/50 (\$302 to the winner) and the Silent Auction. A big THANK YOU, THANK YOU to the curlers and the local businesses for supporting us in this Endeavour. Some of the recipients of this money will be: Resource Centre, Kevin Frost Blind Skater, Lions Home of the Deaf and Disabled, LCF Dog Guides, No Child without, Foster Parents Plan, CHEO, Elizabeth Bruyere Centre, Heart & Stroke, Blind Anglers, Cancer Society, Sarsfield Nursing Home and many more needs right here in our own community.

Navan Lions Bursary recipient is making a difference - ATHLETE STRIKES GOLD IN LAKE PLACID

Charles Paterson, son of Dave and Cheryl Paterson, struck gold in Lake Placid. Charles is in his third year at Neumann College in Aston, Pennsylvania and plays defense for their collegiate hockey team. On Saturday, March 21, 2009, The Neumann Knights claimed the NCAA Division III Men's Hockey Championship, defeating their opponents, Gustavus Adolphus, 4-1.

The Knight's victory deemed them the title of the Cinderella team of Division III NCAA hockey. Ranked 12th in the National rankings, the Knights beat the 3rd ranked team, Hobart and then the 5th ranked team Elmira. The big upset for them was beating the number 1 ranked Plattsburgh team to lead them to the Frozen Four NCAA tournament in Lake Placid, NY. The semi-finals match in the Frozen Four tournament was against Hobart College. It was fantastic goal tending that lead the knights to pulled off a 2-0 victory that would lead them to them to the finals.

Of the four teams playing in Lake Placid (The Frozen Four) Charles was selected as one of the two defenseman to the **All Tournament Team**.

An interesting note about the Neumann Knights is that 6 players on the team played in the Canadian Junior Hockey League (CJHL). Charles Paterson, a former player of the Cumberland Barons and then went on to play for the Cumberland Grads then was traded to Pembroke Lumber Kings

QUOTE OF THE MONTH

"The future belongs to those who believe in the beauty of their dreams." By Eleanor Roosevelt.

HOME TIP OF THE MONTH

Smart Ways to use A Vegetable Peeler

- Candle too wide? – peel away some wax from the bottom of the candle to make it fit the holder.
- Decorating – use a vegetable peeler to make decorative shavings from a bar of chocolate or Parmesan shavings.
- Tighten a screw – no Phillips head screwdriver? Use the vegetable peeler!
- Quick softened butter – use vegetable peeler to sliver off that amount you need in a jiffy.
- Hot pepper trick – to make a jalapeno taste milder, cut off the wide top, and then scoop out the seeds using a vegetable peeler.

9th Annual Cuts for Cancer

On Saturday, April 25th – 8am – 5pm, Diann Lalonde, and Sylvie Lalonde Simard of Diann's Beauty Salon on Trim Road are giving free haircuts to customers in exchange for donations to the Ottawa Regional Cancer Foundation.

The women have also modified the fundraiser in terms of time. They've shortened the cut-a-thon to a one-day but have encouraged their customers to add change to a donations jar year round. The "new formula" is working. Last year the Salon was able to contribute a total of \$6,700 to the Regional Cancer Foundation and this year the mother and daughter team is hoping to raise even more. Diann's Beauty Salon is located at 2172 Trim Road and can be reached at 613-833-2345. See you there for a trim for a good cause.

With the recent time change it is also a reminder to replace the batteries in all of your smoke alarms. Batteries should be replaced twice a year and alarms tested monthly. Although testing your alarms monthly seems like an arduous task, a working smoke alarm can save your family's lives in the event of a fire in your home. If you think that your alarms are more than 10 years old, and then replace them.

In Ontario, it is your legal responsibility to have a working smoke alarm outside every sleeping area in your home. As of

March 1, 2006 you must also have at least one working smoke alarm on every storey that does not contain a sleeping area. It's the law!

If you live in a rental unit, it is the owner's legal responsibility to make sure that you have working smoke alarms. It is also against the law to disable a smoke alarm.
