NAVAN CENOTAPH RE-DEDICATED IN THE MEMORY OF THOSE WHO MADE THE ULTIMATE SACRIFICE

Navan, October 17, 2010: With intense pride and significant community support, the restored veterans' memorial was unveiled today to pay tribute to Navan-area residents who made the ultimate sacrifice in the service of their country. The unveiling took place with hundreds of veterans, community leaders, and serving armed forces personnel looking on as organizers praised the sacrifices made in defending freedom. The unveiling was carried out by Eileen Vaillancourt and Sqn. Ldr. Eric Smith DFC CD (Ret'd). In 1987 Mrs. Vaillancourt's mother, Annie McFadden, unveiled the original Cenotaph. "Today is an important milestone for our community and our local fallen heroes – we now have a beautiful memorial, built through local contributions, that will stand forever as a tribute to those who served our country in the past, those who continue to serve and in particular those who have made the supreme sacrifice so that we could live in peace," stated Ross Bradley, chair of the Cenotaph Restoration Project. In 1914 the town of Navan and its surrounding area had a population of approximately 300 people, 15 of whom made the ultimate sacrifice in WW1. They are remembered, along with all others from the Navan area who have died defending their country. "It is a testament to the strength of our local community that this beautiful memorial could be built with the support of local residents, businesses like BFI Canada, Annis O'Sullivan Vollebekk Ltd., Lafarge, Vars Concrete, community organizations like Friends of the Mer Bleue, Navan Lions Club, Streetdance 2010, the City of Ottawa, Veterans Affairs Canada and the Cumberland Township Agricultural Society which has made land available for this project," added Bradley.

The Navan Community Association Restoration Committee spearheaded this project in order to replace the original Cenotaph that needed updating and was located in an area no longer suitable for such an important memorial.

VANDALISM WITHIN THE VILLAGE CONTINUES

In last month's Nugget, the NCA Public Safety Committee published an article expressing our concerns over the recent rash of vandalism, graffiti and thefts within the village. Unfortunately, it appears the incidents are continuing. Just recently, a company truck was destroyed and ransacked while parked at Navan Automotive overnight, shrubs were stolen from a resident's property and pumpkins have been smashed around several homes.

This is a reminder that we, as responsible parents and community members, need to ensure that we supervise our children's activities, especially during the late hours of the night. Parents should always be aware of their children's whereabouts and should not be afraid to conduct random checks of their bags, bedrooms and other personal belongings. Let's not take the: "my son/daughter would never do this" attitude; the culprit(s) of these crimes are most likely living in the village and we need to identify them before additional costly incidents occur.

Reminder: any victim of vandalism, graffiti or theft, no matter how minor in nature, should report the incident to the Ottawa Police by telephone at (613) 236-1222 ext.7300. It is important to report all crime, as police resources are deployed in accordance to where crime occurs and is reported.

Navan Fall Fest

The second Fall Fest was a big hit again this year. What a wonderful crowd of residents attended the event! A big thank you goes to Juanita Vetter and the Navan Women's Institute for organizing this special day. Navan @ 150 years in 2011 was launched with presentations to the Logo and Essay contest winners. The new park area was dedicated by Emmanuelle Grandmaître, with children letting balloons fly up in the air. Rob Jelleff attended and was thanked for his efforts in helping to realise this reconstruction.

In the blue building there were a number of activities going on. Puddles, the sweet little lamb, was in attendance with its owners, Shirley and Chris Browski. The Knotty Knitters were there. The Home Decorating contest was judged by those attending the Fest and my mannequins finally won a prize!! The scent of the Chilli pots, wafting through the blue building, enticed many to try out the various recipes.

Navan W.I. had 2 tables - a silent auction table and a baked goods table. Thanks for all the support.

There was a young lady giving out I Love Navan stickers. The Navan Community Association was selling memberships. We were entertained by a fellow who sang some old country songs. Face painting was a busy corner. The games were well run and lots of fun for all. Building Scarecrows was the most popular activity ! Thanks goes out to Colleen Fleming, our Navan Fair Youth Ambassador, and her Dad, Eric, for their help and encouragement to all the young ones who jumped eagerly into the hay. What a big hit!! The Navan Lions Club gave out popcorn and bed rides while the Navan Community Association provided free hot dogs and pop for everyone. In the evening, to top off a busy sunny day, we had a Barn Dance put on by the Cumberland Township Agricultural Society . What a day this was!!

Verna Cotton and Jackson Bender our proud Navan historians

We wish to thank the following for their support, without which we wouldn't have had such a variety of activities and so much FUN!!!

Eastway Kennels, Chilly Chillies, Vezina Optical, Jonny Canuck's Bar & Grill - Orleans; Steve & Krista Barban, Marg MacNeill, Barry Johnston, Don Lawlor, Navan Fire Department, Navan Nursery School, Ottawa City Police, Navan Women's Institute, Navan Lions Club, Navan Community Association, CTAS, and the numerous volunteers & judges.

Snow Go Program and Snow Go Assist Program

An Ottawa winter averages 235 cm of snowfall and in recent years, an increasing amount of rain and freezing rain. Clearing snow from private driveways and walkways is difficult but essential to ensuring mobility in the winter months. Many seniors and people with disabilities are unable to clear snow from their own private driveways or walkways and must rely on friends, family or private contractors. The City of Ottawa's Snow Go Program provides a matching service for seniors and people with disabilities looking to hire an individual or contractor to clear snow from private driveways and walkways. Eligible low-income seniors and people with disabilities may also apply to receive financial assistance to pay for a portion of their snow removal costs through the Snow Go Assist Program. For more information, visit www.ottawa.ca/snowgo.

CENOTAPH PROJECT UPDATE

Sunday, October 17, 2010 should go down in Navan as one of the most historically significant days we have ever had as a community. I, Ross Bradley, have been honoured to be the chairperson of a committee made up of members who were completely dedicated to seeing the Cenotaph Restoration and Relocation project succeed and produce a beautiful Navan War Memorial. Just one week after Thanksgiving, this is what I was thankful for:

1. An excellent afternoon weather wise (even though it was a bit cool and windy).
2. An impressive crowd of people who attended (400-500), many of whom were veterans and current military, and many who were residents from all over our Cumberland Ward and beyond.
3. Some very willing and able young men (Cumberland Grads Junior A hockey team) who got chairs and stage in place all before 9:30 am.
4. The Ottawa Firefighters Band (30 strong) and 632 Orleans Legion Colour Party who performed so well and added so much.
5. The Navan Volunteer Firefighters who aided parking of the handicapped and seating.
6. The uniqueness of the very way the actual unveiling took place and the spectacular photographs taken which will preserve this moment forever.
7. The excellent flow of the whole ceremony and the professionalism in how it was conducted.

And now a request to our entire community. We have a beautiful War Memorial in our midst. Let us all do our utmost to keep it that way. If you see any actions taking place at the War Memorial which you believe to be disrespectful, please make it known to those who are able to correct the problem.

Please come to the Remembrance Day Services at 10:45 am, Thursday, November 11th.

HOME TIP OF THE MONTH

Fall Gardening Tips

- Bring in your houseplants that have summered outdoors. If the pots are sitting on the ground, give the pots a twist to loosen. Check them carefully before bringing back inside. A good gentle spraying with the garden hose will help dislodge pests and clean the plant before you return it to its indoor home.
- If you want your Christmas cactus to bloom on time, start in the fall. About three months from the desired bloom time, stop feeding, reduce or stop watering, give the plant complete darkness from sundown to sunrise, and then sunlight all day. When buds have formed, resume a regular water and food schedule and you will have beautiful flowers in December.
- Add to your compost. Leaves and other lawn and garden cleanup material are perfect for composting. Turn your compost material at least once a week with a garden fork to speed its decay. Chopping and shredding materials to make them smaller before adding to the pile helps compost break down faster.
- Get your tools, especially your mower, ready for the off-season with a little simple maintenance.
- Drain the water from garden hoses at the end of the season. Coil them and store them in a spot where they won't freeze.

- Clean up debris in the lawn and garden. Leaves, sticks, rocks and other late season leftovers can harm next year's lawn and harbor pests and diseases over the winter.

NAVAN'S VOLUNTEER FIRE FIGHTERS CORNER

Good news! After a brief hiatus, the Firefighter's Corner will once again be featured in the Nugget. It has been a busy few months, so we will re-cap the major events to bring you up to speed.

- Back in August during the Navan parade, firefighters from station 71 collected over \$1300.00 in donations. Thank you everyone for your kindness. This money went to the MD association.
- On September 25th, Station 71 hosted the annual banquet at the fairgrounds barn. It was a great night filled with entertainment, good food, good music, and lots of dancing! We would like to thank the Navan Lions Club for their assistance that evening, as well as the many individuals and businesses who donated fabulous door prizes. Congratulations goes out to Navan's award recipients of the evening; Dane Vartija (District FF of the year), Peter Tadiello (Station 71 FF of the year), Jeff Cotton (10 year service pin) and Bruce Robillard (5 year service pin).
- More recently, we shared in the fun at the Navan Fall Fest. It was a great community event and a great time was had by all – especially the kids who out-tugged the firefighters in the tug-of-war! Needless to say, we will start training for next year's re-match soon. The festival also featured a delicious chilly cook-off. It was so delicious that we would like to encourage anybody to drop off their late entries to a Monday training night at the fire hall for judging...!
- Now that the cold weather is upon us, a friendly reminder that it is that time of year again to;

- Have your chimney inspected and cleaned by a certified and insured chimney sweep
- Be mindful of the type of wood you are burning
- Check your furnace and furnace filter and make sure that everything is clean and in good working order.
- Obtain burn permits for clean up at Station 73 in Vars (613-835-1682)
- For further information on fire safety and prevention, please visit www.ottawa.ca/residents/fire/index_en.html

On behalf of all of the firefighters at Station 71 in Navan, we wish you and your families a safe and fun season and hope that you enjoy all that it has to offer.

NEW REVEREND IN TOWN

Well Sunday, October 17th was definitely a busy day in Navan! Besides the unveiling and re-dedication of the Cenotaph in a beautiful and moving ceremony, the Anglican Parish of Bearbrook, Vars and Navan also had its own celebration at St. Mary's Church that evening. The community gathered to induct and formally welcome the Reverend Canon John Wilker-Blakely as the Parish's minister. While John has been with the Parish for a while now, he was only technically there as a "temporary" minister. But now it's official – he's here to stay and we hope it will be for a very long time. John brings many impressive talents to our parish. He is funny, kind, caring, and extremely knowledgeable. The parish considers him a real blessing. John regularly visits the elderly and the sick, reaches out to families in need, leads our youth in interesting activities, and has been known to fly over the community or take the odd tractor ride now and then.

St. Mary's Anglican Church in Navan along with Trinity in Bearbrook and St. Andrew's in Vars gladly welcomes anyone and everyone to our church services on Sunday. Feel free to drop in and give us a try. We don't bite (well not that hard) and we even serve coffee and treats (for free) after the service. The Sunday service times are: 8:30 at Trinity in Bearbrook, 10:00 at St. Mary's in Navan and 11:30 at St. Andrew's in Vars. If you have any questions, our email address is: bvninfo@rogers.com.

Navan Community Sunday School has started it's 2010 - 2011 year from 9:45 am to 11 am at St. Mary's Hall. Please arrive 5 minutes early and join your children for a short 10 min children's service. After which the children participate in children's liturgy, choir, a bible lesson, craft and snack. Thank you for your support and looking forward to sharing the light of the Lord with you and your family.

NAVAN FOR KRAFT HOCKEYVILLE 2011 – DO YOU HAVE A HOCKEY STORY FOR US!

Let's Show our community spirit by including this in our 150 year Celebrations!

As you are aware, the Navan Memorial Centre is once again entered in the Kraft Hockeyville 2011 competition. Four communities will win \$25 000 while the top one receives \$100 000 in upgrades to their facility and an NHL pre-season game will be played in the arena in the fall of 2011 with a fun day of activities for everyone to enjoy!

Organized hockey has been part of Navan's precious heritage for 97 years! Did you know that in 1913 in the village of Navan, a hockey club was formed of 24 members? Each member paid ten dollars and this money was used to establish an open air rink. If you have played on any Navan hockey teams, against them, or attended a game at the arena you definitely have a hockey story to share!

We need the support of the community to make this dream a reality so please help us by submitting a hockey story and a photo to www.cbc.ca/hockeyville and selecting Navan Memorial Centre from November to January. All stories are accepted including the ones just supporting our quest to the Kraft Hockeyville 2011 title.

If you don't have access to a computer, you can drop off your stories in the box located on the Hockeyville billboard at the arena and we will submit them for you. On your sheet please include your name, address, phone number and date of birth.

Navan's Hockeyville Celebrations will be held on Sunday December 5th from 1pm to 5:30pm at the Navan Memorial Centre. We are kicking off our quest to the Kraft Hockeyville title by inviting the community to attend free public skating from 1 – 2:20pm then cheering the Cumberland Junior "A" Grads against the Ottawa Senators. A banner will be on hand for fans to sign. You are welcomed to wear any hockey jersey. Door prizes and lots of fun for the family!

If you have any questions, need help in submitting your story or would like to volunteer, please don't hesitate to contact us by email navanhockey@hotmail.com or by telephone Barry Irvine 613-835-2509 and Lyne Proulx 613-833-1779. You can join our Facebook group: Navan for Kraft Hockeyville 2011.

Carleton Regional Snowmobile Club

New construction has already begun on the abandoned rail line. The City of Ottawa, through the infrastructure department, has commenced the building of a multi-use trail connecting to the existing Prescott-Russell multi-use trail. This trail will be for hiking and cycling during the summer months and snowmobiling, cross-country skiing and walking during the winter months. Reduced speed limit signs will be erected in the sensitive low-noise areas of the trail, so be on the lookout and adhere to the instructions on the signage.

Even though signs are currently posted indicating no snowmobiles; Carleton Regional Snowmobile Club have been assured by Rob Jellett's office and the City of Ottawa; snowmobilers will continue to use this trail. The signs have been posted temporarily till the project is completed.

Please note any adjoining groomed trails off the main railway line are landowner's private property and only the snowmobile club has authorization to use.

OFSC trail permits December 1st or prior are \$200, after December 1st \$250. Buy before you ride!

Tickets available for two demo Yamahas and an enclosed trailer for \$5.00 each.

Please call Wayne Dandy 613-835-2375 for tickets or trail permits.
