THE NEW OAK TREE

Just a couple of years ago Don Murray, "Dancing Don", bought the Old Mill property on Trim Road and set up his beautiful hardwood furniture store. From the age of 12, when he made his first coffee table, Don has always been keen on furniture. And when anyone takes a walk through this amazing store, filled with such high quality hand crafted pieces, one can't help to feel and see the beauty of the pieces on display.

If you are lucky enough to get Don as your salesman, he will convince you to redecorate and to make every piece of furniture fit cosily into your home.

Don came to Navan because John Morgan, a local fellow, convinced Don that a Navan store had great potential. After getting in touch with Ted Gulliver, the former owner of this property, they talked and "voilà"! The restaurant is gone and now we have a wonderful furniture Store. Don travels all across Canada promoting his chain of stores. One is located in Cochrane, Alberta, while the other is in Pembroke, Ontario. Navan remains his flag ship store.

With proceeds from store sales Don supports various clubs and causes. The Navan Lions Club and Curling Club as well as the Navan Women's Institute and some local youth sports groups have benefitted from his generosity.

Don is a happy camper. He loves his job, enjoys the challenges, and relishes travelling and dealing with the public. He has an understanding partner and keeps busy making prize winning wine in his spare time. "Always have a reason to get up in the morning ", is his secret to a long happy life. I also think his sip of cognac every so often helps!!

Right now he is looking for a Management Certified Accountant. If anyone is interested send your resume to

RECORD SNOWFALL IN NAVAN!!

Now that I've got your attention....Navan has-n't had an outdoor skating rink for the past few years. Our goal is to see Navan youth and families benefit from an outdoor skating rink for the 2012-2013 winter season and for years to come. Why talk about it now when the cold weather seems so far away? The idea of a winter wonderland has been brought to our attention and the sooner we get started on the idea, the

more chances we have of having part of that plan come to life by next winter for our community to enjoy. We are therefore looking to form a committee of volunteers that would be interested in participating in this project. Should you be interested in being a part of this "cool" committee, please contact me at 613-835-2984 or at egrandmaitre@hotmail.com.

"Margaret's replacement ... very big shoes to fill!!
Hi! My name is Debbie Newton and I am going to be the new Administration Support for the Navan Fair Board. I grew up on a dairy farm outside of Vankleek Hill. My family is still involved with the local fair. I lived in Navan for seven years, moved to Orleans then three years ago we moved to Bourget. I have just retired after 36 years as a government employee at the Department of National Defence. I have been an active member of the Navan Curling Club since 1993, where I was the secretary during the 1994-96 seasons. In the past years we have volunteered either serving or selling tickets at the Beer Garden during the fair. I will do my best to fill Margaret's shoes and hope to meet you all during the fair.

Willard McWilliams came across this in his travels and thought it would be great to share with you all.

"NINE FAMOUS IRISHMEN"

In the young Irish disorders, in Ireland in 1848 the following nine men were captured, tried and convicted of treason against Her Majesty, the Queen, and were sentenced to death. John Mitchell, Morris Lyene, Pat Donahue, Thomas McGee, Charles Duffy, Tomas Meagher, Richard O'Gorman, Terrence McManus and Michael Ireland. Before passing sentence, the judge asked if there was anything that anyone wished to say. Meagher, speaking for all, said:

"My lord, this is our first offense, but not our last. If you will be easy with us this once, we promise, on our work as gentlemen, to try to do better next time. And next time sure we won't be fools to get caught."

Thereupon the indignant judge sentenced them all to be hanged by the neck until dead and drawn and quartered. Passionate protest from the entire world forced Queen Victoria to commute the sentence to transportation for life to far away wild Australia. In 1874, word reached the astounded Queen Victoria on the success of some of the men who had been transported 25 years before.

This is what was uncovered:

- Sir Charles Duffy had been elected Prime Minister of Australia.
- Thomas Francis Meagher, Governor of Montana
- Terrence McManus, Brigadier-General, United States Army
- Patrick Donahue, Brigadier-General, United States Army
- Richard O'Gorman, Governor General of Newfoundland
- Morris Lyene and Michael Ireland were Attorney General of Australia
- Thomas D'Arcy McGee, Member of Parliament, Montreal Minister of Agriculture and President Council, Dominion of Canada
- John Mitchell, prominent New York Politician. This man was the father of John Purroy Mitchell, Mayor of New York City at the outbreak of World War I.

BILLOTING – We have received offers of 9 home for billeting which is wonderful but if anyone is interested in opening your homes to some of these visitors (1 or 2) a few more would be great.

We will be keeping them pretty busy so just the comforts of a room locally would be wonderful. Anyone interested please send an email to margaret.macneill@sympatico.ca with your name, address and number.

The Therapeutic Clown Program at CHEO

A member of the Child Life Specialists' team, Mollypenny works as a Therapeutic Clown to assist children, youth and their families cope with the stress of illness, injury and having to stay in the hospital.

This program has been in existence since September 2001, and although it was originally funded by Therapeutic Clowns of Canada, it is now funded by anonymous donors.

Laughter and play are important aspects of physical, social and emotional development and recovery. Children who face health altering challenges respond to opportunities that create an environment of playfulness and moments that alter the sterile view of the hospital.

Room to room, visits provide healing laughter, a caring attitude, respect, encouragement, comedy, a little magic and red nose transplants! It is not necessarily about the traditional tricks of the trade such as fancy magic tools, but rather the energies that we all possess inside us like listening, intuition, sensitivity, emotional creativity, and more.

In her previous career, Mollypenny was a nurse who worked in the operating room (OR). She now works as a Therapeutic Clown, every Tuesday, Wednesday and Thursday.

Navan2Navan Twinning Project

The Navan Twinning Project is an initiative to form an ongoing connection between Navan, Ireland, (who we were named after) and Navan, Ontario. A delegation went to Navan, Ireland in 2011 and was graciously received by council, the Shamrock Committee and residents of Navan, County Meath.

In August this year over 40 musicians and friends are traveling to Navan to walk in the footsteps of Michael O'Meara, who named our village back in 1861. They will also be performing on Sunday under the Domes and mingling with our residents.

Some of the funds from the Strawberry Social will be used to help support the many activities the committee have planned for them along with a memento to remember their visit.

WE NEED YOUR HELP

In 2009, Louise and I, Charles-Henri, have settled with our family in a property located on what used to be Mr. and Mrs. Savage's farm land. Since our arrival, we have been looking in various places to find pictures of the property before it was purchased by Talos Construction LTD. They have built several homes and had the main street – Henn Street – was named on behalf of Mr. Walter Henn.

Today, we are turning to the Navanites to help us find pictures of what the property used to be with the farm house and its buildings. We would like to borrow the pictures temporarily in order to be able to scan them for our project.

Please call Charles or Louise at 613-429-0166.

Your help is greatly appreciated!

THE 231 AND PRESTO

I am pleased to share good news with the residents of Navan with regard to Transit. Effective July 1, riders taking the 231 will no longer pay more to take the bus than their suburban neighbours. Beginning in July, rural pass holders will pay the express rate which will be \$119 per month instead of \$145. This change will save riders \$312 per year. A single ride will cost \$4.00 if using the new Presto card or \$4.65 paying cash. 3 tickets will be needed instead of 4. Currently riders pay \$5.25 for a cash fare.

200,000 Presto cards will be available free between June 10th and October 31st. Residents can order the card online at Prestocard.ca or pick one up at the City of Ottawa Client Service Centre at 255 Centrum or the Cumberland branch of the Ottawa Public Library.

Presto cards will be transferable and can be shared amongst family members. A photo card will no longer be required and it will be easier to load the card. Those using the current Ecopass will see pricing change effective July 1 to match other monthly passes - the current discount will no longer be available. Ecopass users who switch to Presto will find the same convenience they enjoyed with Ecopass, such as auto-renewal and remote payment. Plus, with PRESTO there is no need for a photo, you can share your card with another person, and you can choose to switch from monthly payments to pay-per ride any time you wish, saving money in months when you don't ride every day.

For more information, please visit octranspo.ca or call my office at 613-580-2489. Visit my website at www.stephenblais.ca or follow me on twitter @stephenblais.
