PUBLIC NOTICE

FOR RESIDENTS OF THE VILLAGE OF NAVAN

Saturday, August 8th the traditional Fair Parade will take place.

The Cumberland Township Agricultural Society would like to advise you in advance of planned street closures during some of the 2015 Navan Fair activities.

CHANGE THIS YEAR - DUE TO CROPS BEING PLANTED IN THE FIELD.

Participants will be setting up on the roads - Smith Road and Meteor Street.

We will try to ensure that driveways are not blocked.

The Parade commences approximately at 10:45 am which will proceed along Smith Road east to Colonial, crossing over Trim and continuing east on Colonial until Delson. The Police and volunteers will be directing motorists and spectators as the Parade proceeds along its route. Restricted parking signs will be posted on Fairgreen and Delson for emergency access to the Fair grounds and livestock trailers specifically on Delson.

Additional community Policing has been requested for the village during the Fair, for life-threatening or crimes in progress call 911 and all other non-emergency issues please call 613-230-6211.

NAVAN NOTABLES: Bonnie Bergeron

As a member of the Royal Bank of Canada staff, Bonnie Bergeron is an energetic, passionate, and caring professional. She is also a devoted member of the Navan Community, in part through her role as the Navan RBC Branch Manager, but also through her extensive involvement with the Navan Fair.

Bonnie works to ensure that each customer who walks through the door receives the best experience possible. As the former Manager of Client Care, Bonnie said that it has always been her mission to "work with clients and to help them manage their finances and reach their financial goals." She has forged many connections within Navan since she began working for RBC. As of October, Bonnie will have worked with RBC for 8 years.

Aside from her job, Bonnie has been a part of the Navan Fair for over 20 years. She and her husband Dave Bergeron, who is from Navan, are a part of the Dairy Cattle Committee at the Fair and have shown Ayrshire cows. They participate in other shows such as the Royal Winter Fair, and many others in the surrounding area. Dave is also involved as a judge for Canadian cattle shows, including the Royal, and international ones in countries such as Finland and most recently Columbia. Their involvement in these shows is also what introduced them: Bonnie and Dave first met at an Ayrshire show. Their daughter, Graceson, is also involved in showing, and participates regularly at 4H events.

As she is highly involved in her professional and personal spheres, Bonnie has received awards in recognition of her work. Her most recent award was from the Ontario Association of Agricultural Societies, who awarded her an Agricultural Diploma for Community Involvement in January 2015. She also received the Community Spirit Award from RBC in 2009, and donated the prize money to the Navan Fair Board. In 2014, she won the opportunity to cruise through the Caribbean with other RBC employees, on what she said was "the trip of a lifetime."

In the next few weeks Bonnie will be preparing for the Back to School event put on by the Navan RBC from August 5th until the end of the month, during which they will work with students to teach them about budgets and financial planning. The bank will also have a float in the Fair Parade.

Though she herself is not from Navan, Bonnie embraces the community, which she said reminds her of home. She is very appreciative of how she able is to help people through her work at RBC, but also for the many invaluable things she has learned about herself and about finances since working there. She loves her job, as it allows her to help people. In her own words, "that is what it's all about."

NARC dog for adoption - Mona

Mona is very sweet and although she was quite shy when she arrived she is much better now. She loves people and will stay by your side. She will make someone very happy!

HERITAGE PUBLIC SCHOOL Where City meets Fields

The sunshine and warm weather is upon us and that means lots of back yard entertaining! As your beer and liquor bottles accumulate in your garage, please keep the Heritage Public School Concert Band in mind. We are continuing to collect "empties", throughout the summer, and will happily arrange for a pick up or drop off at your convenience.

For pick up, please contact: Neil or Heather Monkman at <monkpeople@gmail.com> or place empties at the shed end of our driveway at 3494 Trim Road in the village of Navan.

Monies generated from the return of empty beer and liquor bottles and cans will be used to purchase additional instruments for the band and will also help offset the costs of next year's band trip. Thanks to all who have supported us thus far. We're hopin' for a bumper crop this season!

Navan Women's Institute

August will find us enjoying the Country Moments Spa, right here in Navan!! Looking forward to the day!!

Knotty Knitters: Knit in Public Day

We continue to knit all summer long at the Café Latte Cino, at the corner of Tenth Line and Innes Road. We get there for 1PM and leave around 3PM. Many have begun their Christmas gifts!

Navan Streetwalkers

We have passed the weeding of the Town Clock Plaza to the Navan Volunteer Firemen, who have agreed to take over. Thank you so much. When they get tired we'll ask another group to help out with this task. Thanks goes out to Anne Marie Potvin and the Navan Streetwalkers for taking care of the weeding for the last 4 years. This Plaza is such a beautiful addition to the streetscape.

I've also noticed how beautiful the Flower beds are at the two main entrances of the village. Thanks to Anne Marie,

Donna, Nancy, and Wendy for all their efforts. Our STOP sign corner with St. Mary's Church, the old Oakwood building, and Laura Shaw's ancient house is a welcoming sight to our village. I can hardly wait to see what our residents will come up with in 2017!!!

There are many benefits to becoming a billet family, which include season's tickets to each home game and remuneration in the amount of \$90.00 per week for each player. NAVAN TO NAVAN

The Navan to Navan connection is still going. At the Community Builder's Awards on June 6th Jeff Cotton offered water to a couple sitting off to the side, only to learn that they were visiting from Navan, Ireland. Damian and Therese Keating were the winners of the Air Canada trip to Canada from the Shop Local event which John Bradley and his 4 friends attended the kick off last year in Navan, Ireland. They landed in Toronto, visited Niagara Fall and then came to Ottawa for the weekend. It was just be chance that they came on the 6th.

After the ceremony they were invited to attend the reception and between Laurie, Perry Watson, Bob Burns and Marg MacNeill they were introduced to many of the Irish families and other dedicated members of the community. After Marg gave them a quick tour of Navan and then dropped them off at the Chimo.

They live at Cannistown, Ardsallagh, Navan and have five children: a daughter in Brisbane, Australia, a son in Vancouver, a son and daughter at home with them in Ireland, and a daughter in Boston for the summer. And interestingly, Damian is a first cousin of Bobby Duffy, Emer Duffy's husband who was here with the contingency in 2012. They flew to Vancouver on Monday to see their son.

Turtles in Navan

Written by: David Grattan

Photos by: Tom Devecseri

Left: Painted turtle

Right: Baby snapping turtle

Among the more interesting forms of wildlife observed in Navan are the turtles. These are often to be seen on the creeks and bogs near the old railway tracks. We have seen two species namely – the Painted Turtle and the Snapping turtle. Recently on one summer's evening Rachel and I spotted a large "snapper" – about 2 feet in diameter swimming lazily along the creek – totally oblivious to our presence. And one morning a few years ago as I was heading to work and there in the middle of the Navan Road near the intersection with Meteor Road was an 18 inch snapper. So I stopped picked him up (at which point he peed on me) and placed him in the ditch on the opposite side of the road. And so I continued on my way to work. I had just passed Mer Bleue Road and there was a garbage truck stopped in the road while the driver was removing another turtle from the middle of the road. Interesting, because that only happened once in 30 years of driving to work along that route – and on that one occasion there were two turtles crossing – how did they know they were both supposed to cross that day?

The painted turtle has several sub species – and is very widely distributed over North America. It ranges in size from 4 to 10 inches and typically the females are slightly larger than the males. In this region we usually encounter the eastern painted turtle. It eats vegetation, algae and small crustaceans and invertebrates.

The Snapping turtle, which is usually described as having a "prehistoric" look because it seems to resemble a small dinosaur, is much larger and may reach feet or more in diameter. It is supposed to be very belligerent out of water and one should look out for the highly mobile head. I didn't know that when I rescued the one from the Navan Road – I guess I was lucky that all he did was to urinate aggressively! Snapping turtles may eat plants and animals and are also active hunters that prey on anything they can swallow, including many invertebrates, fish, frogs, reptiles (including snakes and smaller turtles), birds, and small mammals. They may live as long as 100 years and females do not lay eggs until they are 18 or 19 years old. Unfortunately, they are not doing well in Ontario because of habitat loss and they are listed as a species of Special Concern under the Ontario Endangered Species Act, 2007 and Special Concern under the federal Species at Risk Act. All of which makes me really delighted to have seen them in Navan – on the whole though I wouldn't recommend picking them up.
